How Does It Work?

We Capture The Experience

We take photos of all surfers and add your branding to them

Surfers Share It

Photos are automatically available for surfers on SwellCo to share via their socials.

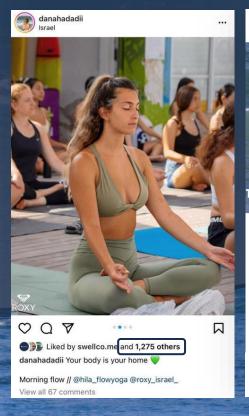

Sponsors Enjoy Huge Reach & Engagement

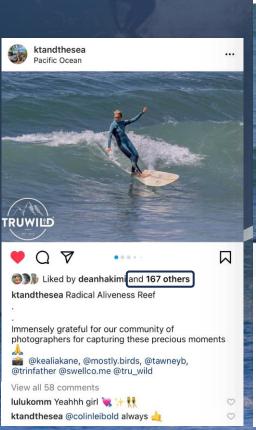

The shared branded photos reach a huge engaged audience

Engage With An Army Of Micro-Influencer Athletes And Their Followers!

Our data demonstrates that the typical surfer is a social media beast with more than 1000 followers and 100 engagements per post on average which makes her/him a natural influencer

Customized Campaigns

Meet with our experienced account manager and develop a winning campaign strategy.

Decide on your campaign budget, starting as low as \$2500.

Target your audience by location or go broad with your message.
Want to make a splash? Sponsor a surf spot exclusively for a period of time.

We send our photographers to capture stunning images and inform athletes that the session is sponsored by you.

Athletes get notified when their photos are ready to download for free, sponsored by you, with your logo on all photos.

Athletes share branded photos on social media with your logo and #hashtags. We also send a thank-you email with a link to download the full resolution image, reminding them it's all thanks to you!
